

## Did You Take This Trade? [AUY](#)

### ***One Good Trade A Week Is All It Takes!***

Last week, we showed you how our paying [subscribers](#) earned 10% in 24-hours. And this week, they locked in an 11.5% gain in AUY. Just one trade like this a week is all it takes to get your portfolio outperforming most other investors and professional Wall Street managers. Here's how:

### **SUBSCRIBERS ALERTED TO [AUY](#) AS AN IDEAL LONG SIDE SET-UP IN THE WATCH LIST IN OUR WEEKEND NEWSLETTER**

[AUY](#)'s set-up made our paid [subscriber](#) only watch list because it had formed a bullish Pullback Off Highs pattern. When we see this, we draw a pink line connecting the highs of its pullback. An upside break of the pink line triggers a trade to the long side. A close below the red line represents our stop loss. Click [here](#) to learn more about the Pullback

Off Highs pattern.

## **AUY TRIGGERS A TRADE BY BREAKING ABOVE THE PINK LINE**

When AUY triggered a trade by breaking above the pink pullback off highs line, we issued a Trade Trigger email alert to our paying subscribers.

**A FEW DAYS LATER, OUR SUBSCRIBERS LOCKED IN AN 11.5% GAIN!**

We sent a Locking In Gains email alert to our paying subscribers to lock in their gains - a gain of 11.5% in just a few days!

In today's market, success isn't about trying to hit a grand slam or score on a hail mary pass. Instead, it's all about hitting singles and making first downs and doing it over and over again. That's how to get ahead in today's market.

***Our mid-week newsletter with a new watch list was distributed Wednesday evening!***

**DON'T MISS NEXT TRADE!**

A subscription is just \$29.99/month and it comes with a two-week free trial. [Subscribe](#) today!
