---

We sent the following Locking In Gains email alert to our paying subscribers. When you are a paying subscriber, you receive:

- our current watch list
- an email alert when a stock on our watch list triggers a trade
- an email alert when we are locking in our gains.

If you were a paying subscriber and had received these emails, **you would have made \$1,626 on one trade in 24 hours!** [Subscribe](#) today.

11-6-08

As of this moment CF is pushing the 55.44 range (Folks we shorted this yesterday at 63.57!) and now we are looking at a 2 day gain of 13% ish or about 1626.00 Dollars (4 Of these a month and you'll never look back!). Seeing as how its early in the month and there will be a lot of buses coming our way on both the long side and the short side we'll take out 2 day gain on this issue right here at \$55.44.
